Register Now for a Unique, First-time Missoula Jewish Festival

Join Us for a Joyous Shabbaton* to Celebrate Rabbi Laurie Franklin's Installation & Har Shalom's Expanding Role in Missoula

Shabbaton events include worship, history, music, dance, Jewish learning,
and—of course—food! You can come for all or part.

At **Shalom Missoula**, we will create Har Shalom's first "**Fund for Our Future**" to support adult and youth Jewish education, visiting scholars, our Jewish library expansion, and the development of our facility to accommodate our increasing need for classroom and other public-use spaces. We have a dream to share: A Jewish cultural institute open to the greater Missoula community with specialized spaces for Jewish performing arts, youth/teen activities, and Jewish learning and spirituality.
